## Chapter 1 by Iskiox

Entry 1: They've been chasing me for several days now..Why won't they stop? They've killed all of my friends, and I know I'm next. I don't know why they won't just leave us alone! We've done nothing wrong, and they hunt us like animals.

## Chapter 2 by Eloise

Entry 2: When I say 'nothing'... okay, we did a little something.

We murdered a very important person.

There. I said it. Now I'm going to go burn this page, see you later.

Entry 2: (I'm going to pretend I never wrote that)

Entry 3: After we murdered the person - uh, I mean... Oh, I'll have to burn this page too, be back soon.

Entry 3: (I never let anything slip about our crime)

Oh dang, there I go again. Time for more burning.

Entry 3: (I didn't say anything)

Entry 4: I'm alone now. Mike, Stacey, Carlos, Amanda, Luke, Jacob, and Emma are gone. Murdered. Like I said, we did absolutely nothing wrong.

Entry 6: I did it! I said it! Or, rather, I wrote it... Either way, the deed has been done. Since I told you the big part, I might as well get into detail. But later since I've been writing for too long.
